

We can't do our job right now, and soon we will be leaving for election season without finishing the appropriations process all because conservatives are obsessed with making discrimination legal. That's right. They want to make discrimination legal.

Who are they trying to serve?

The American people and corporate America are not standing for this bigoted behavior. Corporations around the country are canceling conventions in States that have passed legislation that prevents transgender bathrooms from being available.

At the entryway to my congressional office stands a California flag bearing the rainbow stripes of the LGBT movement. It is a mark of how far we have come that such a flag is now commonplace on Capitol Hill, but on this Pride Month, conservatives are debating how best to overturn anti-discrimination provisions and bar their own constituents from using the restroom. This is absolutely ridiculous, and, frankly, a tragic nadir in congressional action.

I am sick and tired of my colleagues saying they oppose discrimination, that they are fighting for LGBT Americans, and that they support equality when time and again they have voted just the opposite way.

How about instead of bickering about bathrooms, we look at passing true anti-discrimination laws?

Right now we don't have laws preventing housing, credit, workplace, or healthcare discrimination. We have lifted the ban on LGBT military service, but our transgender servicemembers continue to serve in the shadows, never knowing if this will be the day they are dismissed. Now is the time to ban so-called gay conversion therapy that harms so many of our children.

Californians, and especially my beloved San Franciscans, have always been at the forefront of this fight for equality. As San Francisco Supervisor Harvey Milk said when he became one of the first openly gay elected officials, gay children who weren't accepted by their parents and peers used to feel they had few options: "staying in the closet; suicide. And then one day that child might open a paper that says, 'Homosexual elected in San Francisco.'"

That is what Harvey did many decades ago. One option is to go to California, he said, and the other is to stay and fight.

That is the fighting spirit we need to keep alive today as we work to make sure our laws live up to the promise of the Declaration of Independence, that all of us, each and every one of us, is created equal and that we should be treated that way.

So I thank my colleague again for giving us the opportunity to have this

Special Order to talk about Pride Month and the importance of not just being proud that there is a Pride Month, but redoubling our efforts to make sure that these really insidious amendments are not slipped into bills to enforce discrimination. Because that is what they do. They legalize discrimination. We don't stand for that. That is not what this body is about, and that is not what this country is about.

Mrs. WATSON COLEMAN. Mr. Speaker, I thank the gentlewoman from California for her wise and compassionate concern and sharing of information.

I want to remind us that there are so many vestiges of discrimination against the LGBT community, not the least of which is also denying them access to public accommodations. This isn't what this country stands for. This isn't who we are. We are better than that. So I am glad to have this opportunity to highlight some of our issues and concerns and the support that we have for the LGBT community.

For everyone, anyone, and all of us celebrating this month, I wish you a happy Pride Month.

Mr. Speaker, I conclude my Special Order hour, and I yield back the balance of my time.

PUBLICATION OF BUDGETARY MATERIAL

UPDATED STATUS REPORT ON CURRENT SPENDING LEVELS OF ON-BUDGET SPENDING AND REVENUES FOR FY2016 AND THE 10-YEAR PERIOD FY2016, THROUGH FY2025

HOUSE OF REPRESENTATIVES,
COMMITTEE ON THE BUDGET,
Washington, DC, June 9, 2016.

Hon. PAUL RYAN,
Speaker, House of Representatives,
Washington, DC.

DEAR MR. SPEAKER: To facilitate application of sections 302 and 311 of the Congressional Budget Act, I am transmitting an updated status report on the current levels of on-budget spending and revenues for fiscal year 2016, and for the 10-year period of fiscal years 2016 through 2025. This status report is current through June 6, 2016. The term "current level" refers to the amounts of spending and revenues estimated for each fiscal year based on laws enacted or awaiting the President's signature.

Table 1 in the report compares the current levels of total budget authority, outlays, and revenues to the overall limits, as adjusted, contained in the conference report on S. Con. Res. 11, as agreed to on May 5, 2015, for fiscal year 2016, and for the 10-year period of fiscal

years 2016 through 2025. This comparison is needed to implement section 311(a) of the Congressional Budget Act, which creates a point of order against measures that would breach the budget resolution's aggregate levels. The table does not show budget authority and outlays for years after fiscal year 2016 because appropriations for those years have not yet been completed.

Table 2 compares the current levels of budget authority and outlays for legislative action completed by each authorizing committee with the limits contained in the conference report on S. Con. Res. 11, as agreed to on May 5, 2015, for fiscal year 2016 and for the 10-year period of fiscal years 2016 through 2025. For fiscal year 2016 and the 10-year period of fiscal years 2016 through 2025, "legislative action" refers to legislation enacted after the adoption of the levels set forth in the conference agreement on S. Con. Res. 11. This comparison is needed to enforce section 302(f) of the Congressional Budget Act, which creates a point of order against measures that would breach the section 302(a) allocation of new budget authority for the committee that reported the measure. It is also needed to implement section 311(b), which exempts committees that comply with their allocations from the point of order under section 311(a).

Table 3 compares the current status of discretionary appropriations for fiscal year 2016 with the "section 302(b)" suballocations of discretionary budget authority and outlays among Appropriations subcommittees. The comparison is needed to enforce section 302(f) of the Congressional Budget Act because the point of order under that section equally applies to measures that would breach the applicable section 302(b) suballocation. The table also provides supplementary information on spending in excess of the base discretionary spending limits allowed under section 251(b) of the Balanced Budget and Emergency Deficit Control Act.

Table 4 compares the levels of changes in mandatory programs (CHIMPs) contained in appropriations acts with the permissible limits on CHIMPs as specified in sections 3103 and 3104 of S. Con. Res. 11. The comparison is needed to enforce a point of order established in S. Con. Res. 11 against fiscal year 2016 appropriations measures containing CHIMPs that would breach the permissible limits for fiscal year 2016.

Table 5 displays the current level of advance appropriations for fiscal year 2017 of accounts identified for advance appropriations under section 3304 of S. Con. Res. 11. The table is needed to enforce a point of order against appropriations bills containing advance appropriations that are: (i) not identified in the statement of managers and (ii) would cause the aggregate amount of such appropriations to exceed the level specified in the budget resolution.

In addition, letters from the Congressional Budget Office are attached that summarize and compare the budget impact of enacted legislation that occurred after adoption of the budget resolution against the budget resolution aggregates in force.

If you have any questions, please contact Jim Herz or Jim Bates at (202) 226-7270.

Sincerely,

TOM PRICE, M.D.,
Chairman.
